

Please do not overturn or weaken the New Jersey Do No Call Law. I have received calls after 10:00 p.m. MCI would call me a minimum of 3 times a week because I was a previous customer even after repeated requests not to be called. Some telemarketers even became verbally abusive when told I was not interested in their services.

Their phone calls are an invasion of my privacy and a huge annoyance. I pay extra for an unlisted number, but it still gets sold from one agency to another.

I have not received any calls since I signed up for the New Jersey Do Not Call List and would like to keep it that way.

Thank You!!
